PATAGONIA - ARGENTINA

## PATAGONIA BARREL SELECTION MALBEC

### VINEYARD LOCATION

---

Alto Valle, Rio Negro, Patagonia

### AGE OF THE VINEYARD

---

On average 30 years old

### GRAPES

---

100% Malbec

### YIELD

---

45 hl/ ha

Deleafing and green picking is carried out in December. Harvest is realized manually.

### FERMENTATION

---

Cold maceration is carried out at 10°C - 12°C for 5 days prior to fermentation which takes place at a controlled temperature of 26-28°C. 4 pump-overs per day and a long maceration period of 30 days.

### AGEING

---

60% of the wine is aged in French oak for 12 months.

### TASTING NOTE

---

Intense red colour with violet tones. Elegant and attractive aromas of liquorish, violets and spices. A very rich and complex wine, a true Malbec from Patagonia. Great with red meats, games and cheeses.
