## TORRONTÉS

### VINEYARD LOCATION

---

Valle de Uco, Mendoza

### GRAPES

---

100 % Torrontés

### YIELD

---

70 hl/ ha

Deleafing and green picking is performed in December. Harvest is realized manually in order not to damage the grapes.

### FERMENTATION

---

Skin maceration takes place for 8 hours, then fermentation is carried out in stainless steel tanks with selected yeast at a controlled temperature of 14-16°C.

### TASTING NOTE

---

Delicate aromas of white flowers, lychees with a touch of lime that adds a delicious freshness to the wine. An elegant and well-balanced wine, the perfect accompaniment to empanadas, thai food and lightly spice dishes.
